

2010 Wisconsin Crop Production Association Pesticide Container Recycling Schedule (by site)

REMINDER: Please keep in mind that the WCPA website contains a host of information to help collection sites get ready for on-site recycling this summer. Of particular importance is the page called "Plastic Preparation Guidelines". It provides crucial information on preparing mini-bulks for recycling and provides reminders about the need to check for triple rinsing or pressure rinsing as containers are accepted.

Company	Collection Location	Business Phone	Collection Date
Adell Cooperative	607 Mill St., Adell	920-994-4125	8/2/10-A
Agri-Land Co-op	457 W. 11st St., Fond du Lac	920-748-3745	8/3/10-A
